Register now for ICN conference 2015

Registration is open for the International Council of Nurses' (ICN) international conference 'Global Citizen, Global Nursing' to be held on June 19-23, 2015 at the Coex Convention and Exhibition Centre in Seoul, Republic of Korea. Members of nursing associations, other health professionals, and members of the public may register online at the ICN Conference website: www.icn2015.com.

Participants can register for the spectacular opening ceremony, the popular biennial fundraising luncheon for the Florence Nightingale International Foundation, a wide range of concurrent sessions including dynamic papers accepted through a highly competitive abstract selection process; and a host of options to learn about nursing practice and healthcare in Korea. This international gathering of thousands of nurses will explore the importance of cross-cultural understanding and global co-operation in nursing and provide opportunities for nurses to build relationships and to disseminate nursing knowledge across specialties, cultures and countries.

Visit www.icn2015.com to view the full programme and list of confirmed speakers. The early-bird discount price for registration closes on March 13, 2015.
